FREETOWN, SIERRA LEONE – The U.S. Embassy in Freetown is expecting the arrival of Dr. Jill Biden, the Second Lady of the United States of America, on Sunday, July 6. Catherine Russell, U.S. Ambassador-at-Large for Global Women's Issues, will be accompanying Dr. Biden. Dr. Biden’s visit will focus on the importance the U.S. Government places on women and girls’ empowerment. Her stop in Sierra Leone will mark the end of a three-country tour of Africa and follows visits to Zambia and the Democratic Republic of Congo.

Dr. Biden’s arrival and select events are open to the media. As there may be limited space, all interested media are strongly encouraged to RSVP in advance by 2 p.m. on Saturday, July 5. To RSVP, media representatives must contact Information Media Assistant Wotay Kamara via telephone at 076-695-357.

Press is encouraged to be on location 30 minutes prior to the start times of each event, and preset times and final access times are indicated below. Cameras, recorders, and other electronic devices will be allowed.

Media representatives may attend the events below upon presentation of one of the following: (1) a media-issued photo identification card, or (2) a letter from their employer on letterhead verifying their employment as a journalist, accompanied by an official and current photo identification card (Sierra Leone identity card, driver’s license, passport). Please note that members of the public and press may be subject to security screening.

*Due to limited room at sites not listed below, a local press pool has been established in order to cover the majority of the trip. The press pool will carry coverage of events not open to ancillary press. All members of press are welcome to contact any reporter on the attached press pool list for notes, photographs, video footage, and stories.

Events open to press are as follows:
Sunday, July 6, 2014
4 p.m. - Arrival of Dr. Jill Biden + Delegation at Freetown Lungi International Airport
Pre-set for video cameras 3:20 p.m. at the Presidential Lounge of the airport.
